Built in 1910, the First National Bank building was hailed as Denver's first skyscraper. In 1994-1995, a local family acquired the building and thoughtfully redesigned it into the Magnolia Hotel. The hotel is still locally owned by the family today. This boutique hotel now participates in Marriott Bonvoy and has become a brand of six Historic Magnolia Hotels across the country.

Harry's, originally designed as an old stockbroker's office, is now offering casual dining and craft cocktails in a sophisticated setting. Enjoy dining in history!
